वहाँ के लोगों का अपना संकल्प बन जाता है, तो
बदलाव केवल साफ-सफाई तक सीमित नहीं रहता।
इससे उस जगह की पूरी पहचान ही बदल जाती है।”**

Swachhata Hi Seva Talks on X

CR Paatil @CRPaatil

Translated from Hindi [Show original](#)

On the occasion of the birth anniversary of the Father of the Nation, Mahatma Gandhi ji, the birth anniversary of former Prime Minister and Bharat Ratna Shri Lal Bahadur Shastri ji, and Swachh Bharat Diwas, today I participated in the special Gram Sabha organized under 'Swachhata Hi Seva' in Majigam Gram Panchayat located in Chikhli, Navsari district, engaged in a heartfelt dialogue with the villagers, and honored the sanitation workers.

The revered Mahatma Gandhi ji spoke of both independence and cleanliness. We attained independence, but the greatest effort to make cleanliness a resolve of every individual after independence has been made by the honorable Prime Minister Shri Narendra Modi ji. Under his skilled and visionary leadership, the Swachh Bharat Mission has today taken the form of a widespread people's movement.

The special Gram Sabhas organized across the country today are further strengthening this public participation by providing our panchayats with a powerful platform to plan village development, engage in dialogue on local needs, and play an active role in building a clean and developed India. In this, the 'Swachh Sewa Assessment' initiated by the Department of Drinking Water and Sanitation, Ministry of Jal Shakti, will also play an important role.

We must make cleanliness not just a one-day campaign, but a part of our daily lives, behavior, and collective responsibility. We must resolve that we will neither spread filth ourselves nor allow others to do so.

On this occasion, Honorable Minister of the Government of Gujarat Shri Naresh Patel, Smt. Aishwarya Singh, Mission Director, Swachh Bharat Mission (Gramin), senior officials of the Department of Drinking Water and Sanitation, Ministry of Jal Shakti, Navsari District Collector, District Development Officer, BJP Navsari District President Shri Bhurabhai Desai, and other senior officials of the state and district administration were present.

By participating in the tree plantation under the 'One Tree in the Name of Mother' campaign, we paid homage to the power of motherhood. May this sapling dedicated in the name of Mother become a gift of greenery, shade, and life for future generations—that is our heartfelt wish.

On this occasion, Honorable Minister of the Gujarat Government Shri Naresh Patel, Mission Director of Swachh Bharat Mission (Gramin) Mrs. Aishwarya Singh, senior officials from the Drinking Water and Sanitation Department of the Ministry of Jal Shakti, Navsari District Collector, District Development Officer, BJP Navsari District President Shri Bhurabhai Shah, and other senior officials from the state and district administration were present.
