

Menstrual Hygiene Management Day Report-2025

Background

MHM Day, or Menstrual Hygiene Management Day, observed annually on May 28th, is a crucial platform to raise awareness about the importance of good menstrual hygiene management practices. In India, this observance holds particular significance, as it aligns with the broader objectives of the Swachh Bharat Mission, a nationwide campaign initiated by the Indian government in 2014 to promote cleanliness and sanitation.

The Swachh Bharat Mission has been instrumental in addressing the taboos and stigma associated with menstruation, facilitating access to sanitary products, and promoting menstrual hygiene education across the country.

Efforts under this mission have included the construction of sanitary facilities in schools and public places, ensuring that women and girls have access to safe spaces for managing their menstrual health. By integrating menstrual hygiene into the sanitation discourse, the Swachh Bharat Mission has contributed significantly to empowering women and girls, improving health outcomes, and fostering a more inclusive approach to public health and hygiene in India.

Panel Discussion on Sansad TV

On 28th May, 2025 a panel discussion on Menstrual Hygiene Management (MHM) was held on Sansad TV, where Smt. Swapna Devireddy, Director-SBMG from DDWS joined as a distinguished guest. The insightful discussion delved into key aspects of MHM, highlighting the importance of promoting awareness, accessibility, and proper hygiene practices for women and girls. Scan the below QR code for more updates and watch the discussions on advancing MHM initiatives for a healthier and empowered society.

Discussion by MoHFW

#PeriodFriendlyIndia

On the occasion of World Menstrual_Hygiene Day, Sh. Karanjit Nagambam, Director-SBMG participated in an event of MHM organised by Ministry of Health and Family Welfare, GoI at Delhi. During the workshop, he jointly released IEC materials and emphasized the importance of breaking the stigma surrounding menstruation.

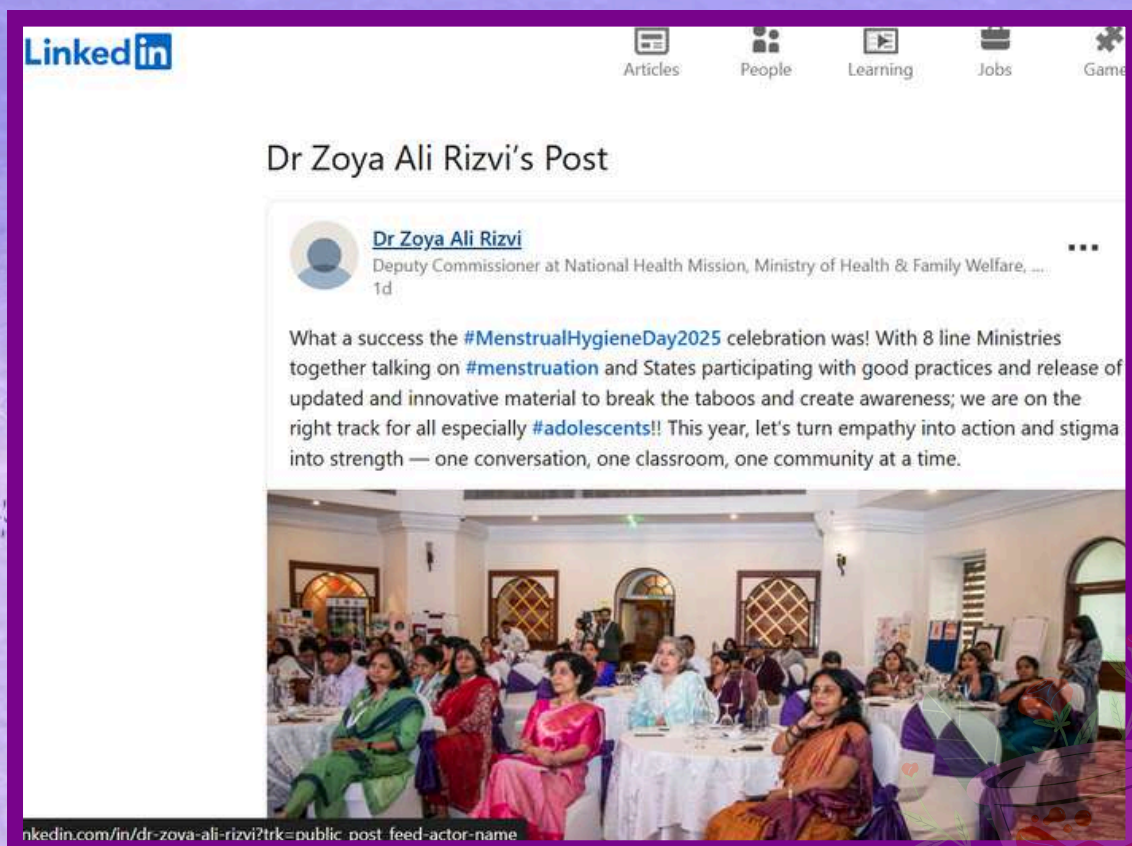

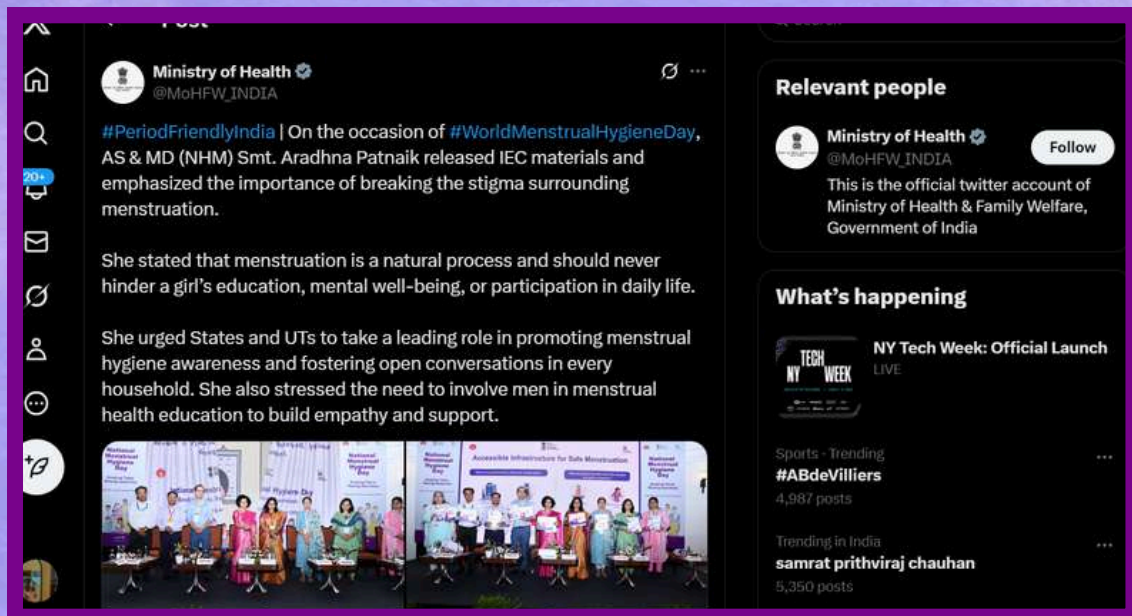

While talking on the topic, he stated that under SBMG proper management is being done at various level and States/ UTs are encouraged for solid/ liquid waste management.

He also urged States and UTs to take a leading role in promoting menstrual hygiene awareness and fostering open conversations in every household.

Glimpses From MoHFW Event

Social Media

MHM Day in Jharkhand

The Swachh Bharat Mission (Grameen), and UNICEF, Jharkhand came together to organize a convergence meeting on May 28, 2025, at the Visvesvaraya Sanitation and Water Academy, Kanke.

The meeting was graced by Mission Director, SBM-G, and State Head, UNICEF Jharkhand, who chaired the session. A diverse group of stakeholders, including frontline workers, senior officials, PRI members, NGO representatives, participated in the event.

The celebration featured inspiring stories and experiences shared by various stakeholders. KGBV students showcased the impact of the Menstrual Hygiene Management (MHM) Lab initiative on girls' lives. PRI member Mukhiya shared best practices on making villages, blocks, and Gram Panchayats MHM-compliant using 15th Finance Commission funds.

Anganwadi workers (AWWs) proudly showcased their MHM corners, highlighting the benefits it brought to the community.

MHM Day in Nagaland

MHM Day was observed in schools like Govt High School Kangtsung, Baptist Higher Secondary School Tseminyu, and Govt Middle School Phesama with active participation from students, teachers, health workers, and SHGs. Activities included awareness sessions, the launch of a Menstrual Hygiene Corner, and distribution of hygiene kits in eco-friendly packaging. Leaders encouraged students to break taboos and adopt safe, sustainable menstrual practices.

MHM Day in Telangana

MHM Day was observed across all Gram Panchayats in Telangana through Mahila Gram Sabhas and dedicated awareness programs on menstrual hygiene. Over 30,000 women participated in these events, fostering open discussions, breaking taboos, and promoting safe menstrual hygiene practices at the grassroots level.

MHM Day in Bihar

On MHM Day, Lohiya Swachh Bharat Mission Grameen in Bihar launched the Red Dot Initiative to break taboos around menstruation and promote safe disposal of menstrual waste. Villages marked dustbins and disposal sites with red dots, encouraging open dialogue and community-led action to normalise periods and ensure dignity and hygiene for women and girls.

MHM Day in Assam

Assam State commemorated Menstrual Hygiene Management (MHM) Day with a series of impactful initiatives. The MHM program at Mukalmuwa village in Nalbari, supported by ISA, focused on promoting proper menstrual hygiene practices.

Moreover, efforts to ensure access to clean and safe drinking water in rural schools and colleges across Assam were underscored. Noteworthy was the MHM program held at Udalguri Girls Higher Secondary School, aimed at enhancing menstrual hygiene education and awareness among students. Above initiatives, highlights the successful implementation of MHM initiatives in Assam, emphasizing the critical role of education and access to safe water in promoting overall well-being.
