

LESS PLASTIC, MORE HEALTH!

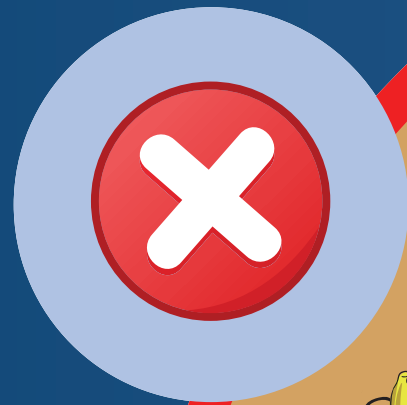

Neglecting plastic waste has a heavy cost
Do it now, or else progress is lost!

The solution is simple, and inexpensive
In an old bag or a box, collect waste extensive!

LESS PLASTIC, MORE HEALTH!

Water's stagnant here, as plastic blocks the drain

Dirt, flies and insects, put our health under strain!

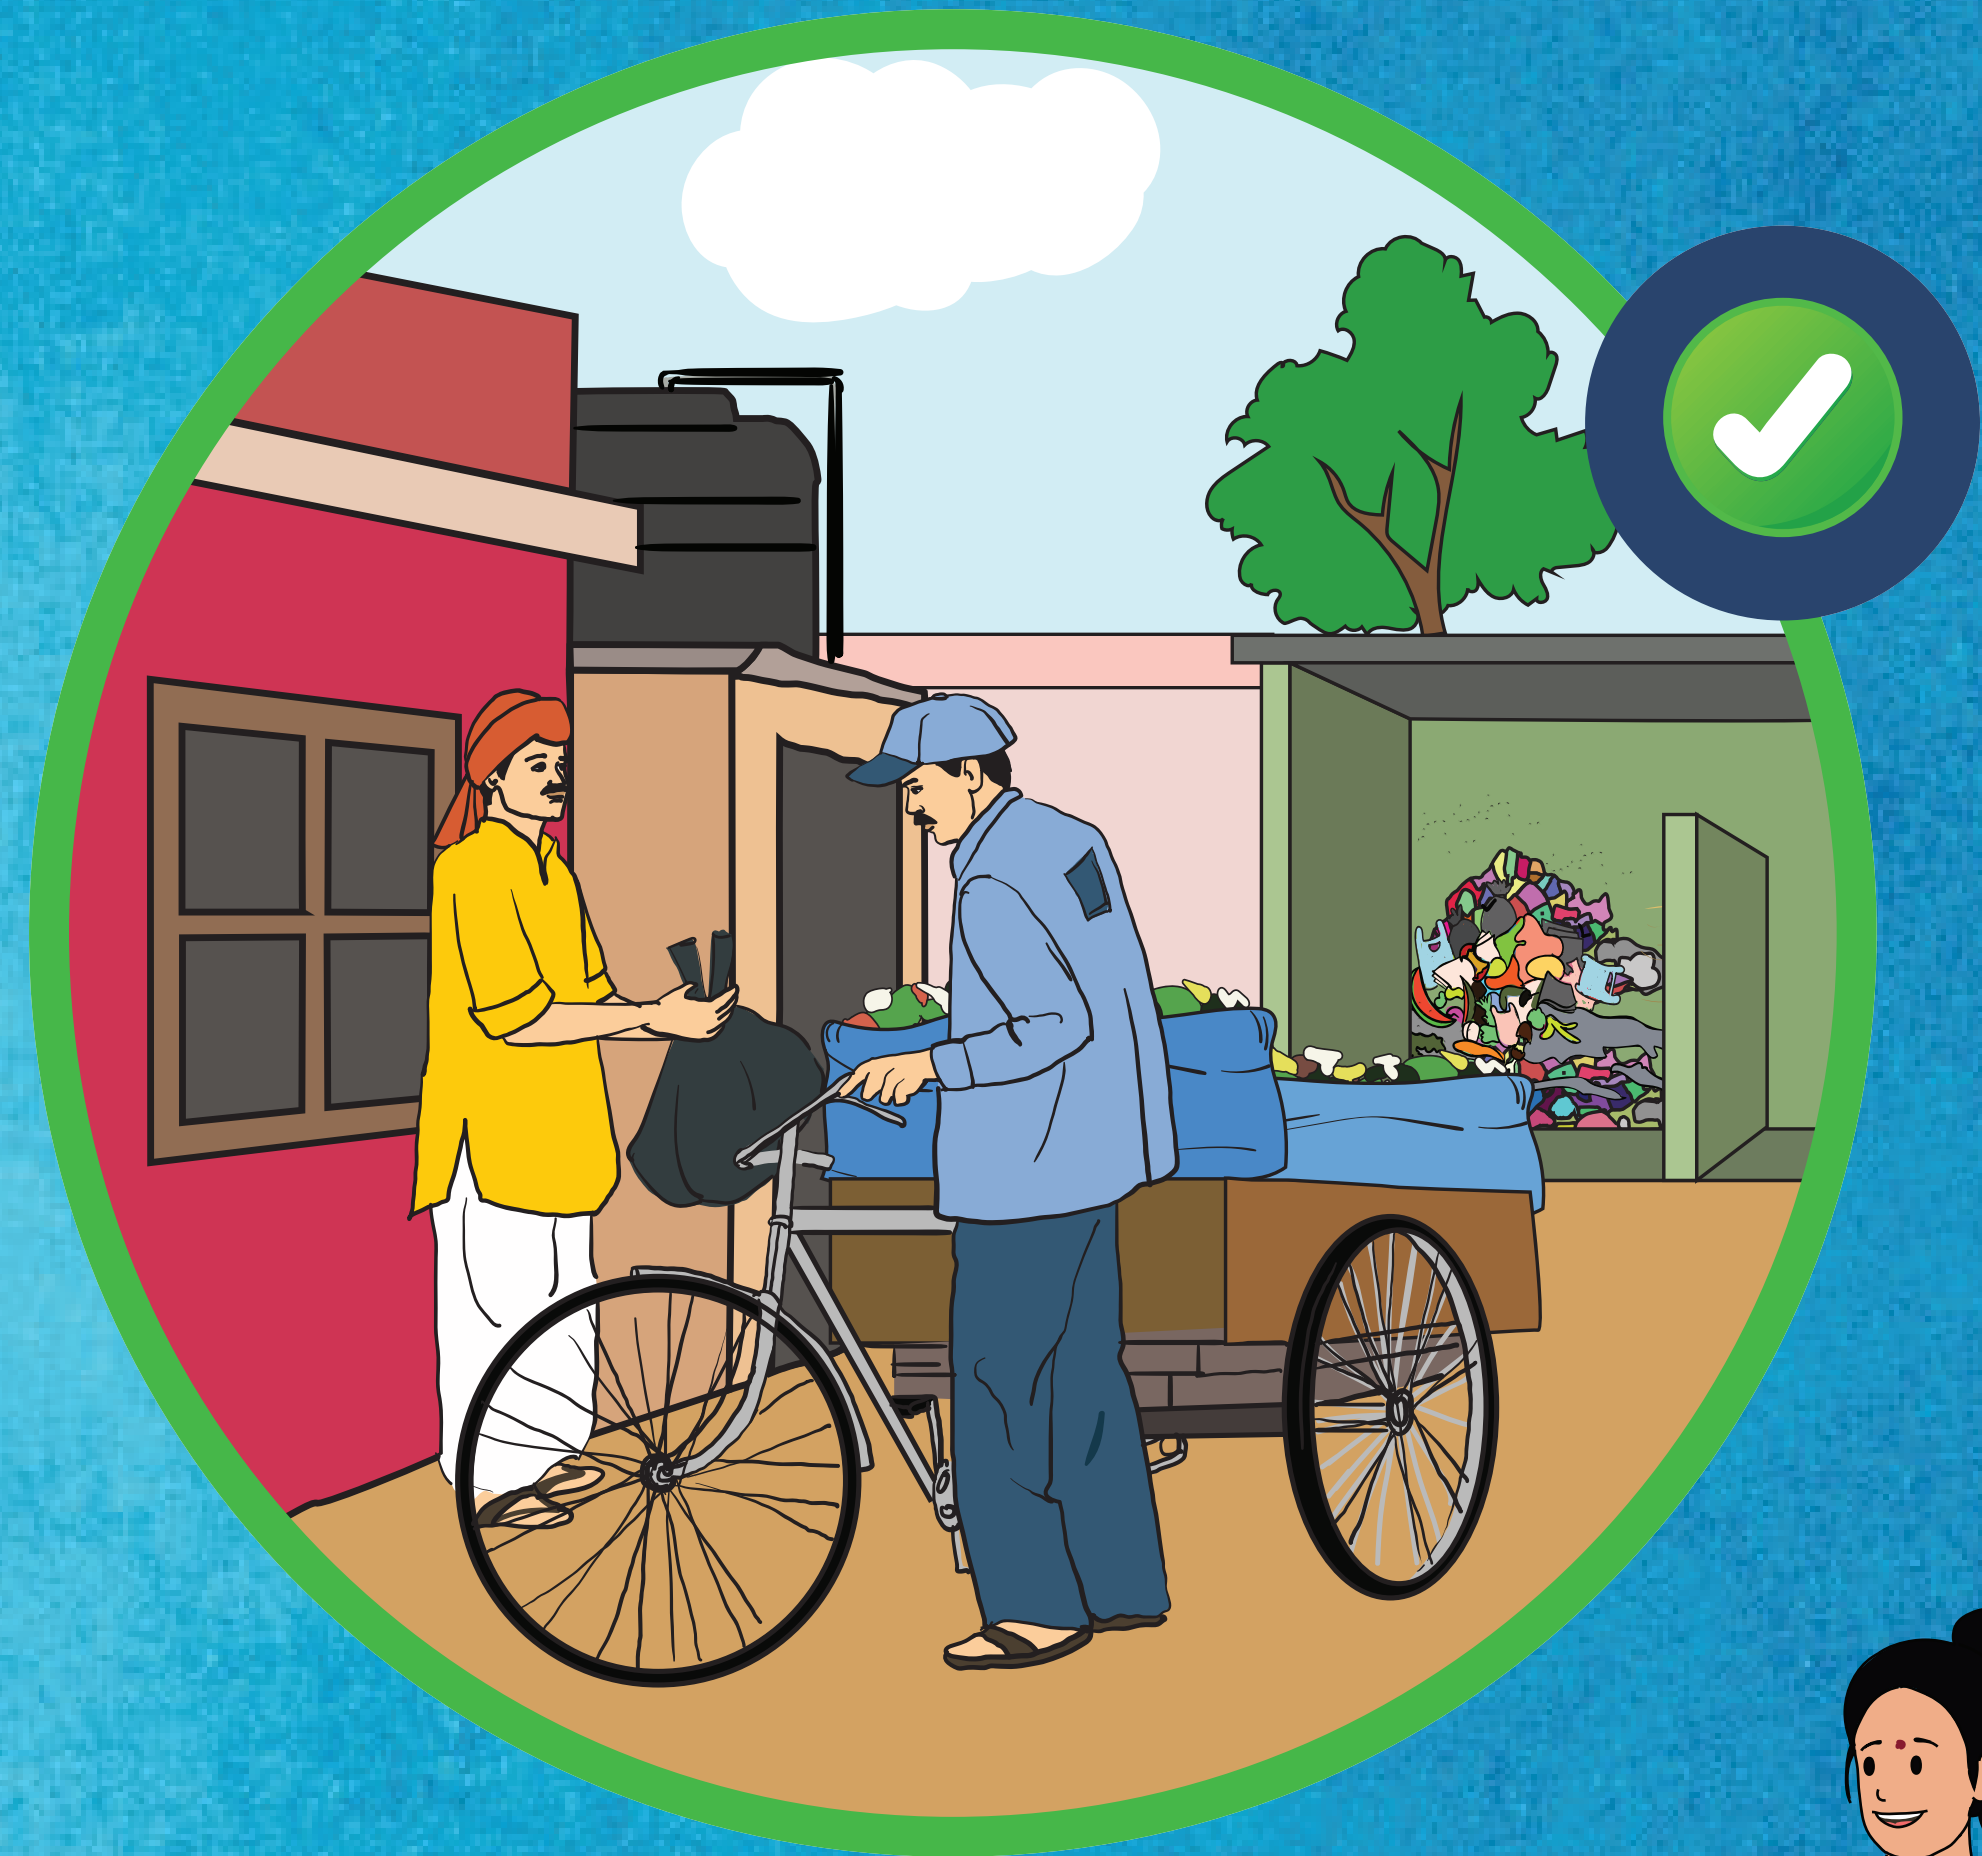

Collect plastic waste, send it to the waste management shed

Do it now, don't allow disease to spread!

LESS PLASTIC, MORE HEALTH!

Plastic waste contaminates our village pond, it makes the bank a mess

Waves of diseases it generates, putting our health at stress!

It's not plastic waste, think of it as plastic wealth

Sell it to the *kabadi*, earn money and good health!

LESS PLASTIC, MORE HEALTH!

Heaps of waste lying everywhere,
to clear then they're burned

Polluting the air, spreading disease,
a problem as we have learned!

Let plastic waste management be
a village-level activity

And as a group, you'll reap
much positivity!

LESS PLASTIC, MORE HEALTH!

Panchayat ghar and school, our pride,
but did you see the garbage outside?

Breeding flies and spreading disease,
bringing our village to its knees!

Segregate your waste, bit by bit
For clean premises, this formula is
super hit!
